3rd INDIA CLIMATE WEEK & AWARDS 2027

> In Indian civilisation, nature has been accorded the status of a mother. For centuries, we have believed that development and the environment are not alternatives to each other, but are complementary. This is the foundation of Sustainability. It is also our responsibility towards future generations.

Inspired by the Vision
Shri Narendra Modi,
Hon'ble Prime Minister of India

INDIA'S HERITAGE. A SHARED VISION FOR SUSTAINABILITY.

Rooted in a civilisational ethos of living in harmony with nature, India's approach to sustainability reflects shared responsibility, collective progress and prosperity. This philosophy resonates with Vasudhaiva Kutumbakam — the world is one family.

Through Mission LiFE (Lifestyle for Environment), India is championing sustainable lifestyles globally, encouraging individuals, communities and institutions to make environmentally responsible choices.

As the world looks to India for leadership in the climate transition, the country is advancing clean-energy ambitions, strengthening climate action and fostering international cooperation towards a low-carbon, climate-resilient future. India Climate Week & Awards 2027 will bring industry leaders, investors, policymakers and innovators together to exchange ideas, forge partnerships and advance scalable climate solutions for a sustainable and prosperous future.

FROM ENVIRONMENTAL VALUE TO ENVIRONMENTAL ACTION

Climate action can strengthen economies, protect livelihoods and safeguard ecosystems. According to the World Meteorological Organization (WMO), global temperatures in 2025 were approximately 1.43°C above the 1850–1900 pre-industrial average, with 2015–2025 marking the eleven warmest years on record. This underscores the need to reduce emissions, build resilience and mobilise investment.

India is advancing towards a lower-carbon economy, with over 54% of installed electricity capacity from non-fossil sources and strengthened commitments under its Nationally Determined Contributions (NDCs). Achieving these ambitions requires clean technologies, credible carbon markets, climate finance and industry participation.

India Climate Week & Awards 2027 will unite industry leaders, investors, policymakers and innovators to advance carbon markets, decarbonisation and climate finance, mobilise investment and accelerate measurable climate action.

INDIA CLIMATE WEEK & AWARDS 2027

A GLOBAL PLATFORM FOR CLIMATE ACTION, COLLABORATION & SUSTAINABLE GROWTH

India's green transition is creating opportunities for industry, investment and innovation. India Climate Week & Awards 2027 connects businesses with markets, technologies, finance and partnerships to turn climate ambition into measurable impact.

Organised by the Carbon Markets Association of India (CMAI), the 3rd edition brings together policymakers, global corporations, industry leaders, investors and technology providers to advance collaboration and shape the evolving climate economy.

Covering carbon markets, industrial decarbonisation, climate finance, clean technologies and environmental markets, the platform features leadership dialogues, investment forums, technology showcases and strategic networking to promote solutions, investment and partnerships.

Guided by **Prakriti Dev Saranam — Nature Is Our Refuge**, the event connects environmental responsibility with innovation and finance to build a resilient, resource-efficient economy.

A special initiative will celebrate **women leading climate action**, recognising their contributions across industry, science, technology, finance, policy and entrepreneurship.

India Climate Week & Awards 2027 seeks to unlock investment, strengthen collaboration and translate climate ambition into measurable action for a sustainable global economy.

1000+ DELEGATES | **100+** SPEAKERS | **50+** EXHIBITORS | **25+** COUNTRIES | **100+** COMPANIES | **25+** AWARDS

ADVANCING THE CLIMATE ECONOMY

3rd INDIA CLIMATE WEEK & AWARDS 2027

The global climate transition is reshaping competitiveness, investment priorities and technology markets. **India Climate Week & Awards 2027** brings together policymakers, business leaders, investors and innovators to turn climate ambition into strategic opportunities—advancing decarbonisation, accelerating innovation and mobilising capital for scalable climate solutions.

CONNECTING AMBITION WITH OPPORTUNITY

POLICY & MARKET ACCESS → TECHNOLOGY & DECARBONISATION → CARBON & ENVIRONMENTAL MARKETS → CLIMATE FINANCE & INVESTMENT → SCALE & COMPETITIVENESS

Through high-level dialogue, strategic engagement and cross-sector collaboration, the platform will facilitate market access, foster investment partnerships, showcase innovative solutions and support the development of a competitive, low-carbon and resource-efficient economy.

SHAPE THE TRANSITION. MOBILISE INVESTMENT. SCALE IMPACT.

3rd INDIA CLIMATE WEEK & AWARDS 2027

KEY THEMES FOR 2027

DRIVING SOLUTIONS FOR A RESILIENT AND PROSPEROUS FUTURE

- CARBON MARKETS AND ARTICLE 6 COOPERATION
- CLIMATE FINANCE AND INVESTMENT
- CLEAN ENERGY TRANSITION
- INDUSTRY DECARBONIZATION
- CIRCULAR ECONOMY AND RESOURCE EFFICIENCY
- WASTE MANAGEMENT AND WASTE-TO-VALUE
- NATURE-BASED SOLUTIONS AND ECOSYSTEM RESTORATION
- GREEN TECHNOLOGIES AND INNOVATION
- POLICY, REGULATION AND INTERNATIONAL COOPERATION
- WOMEN LEADING CLIMATE ACTION

KEY HIGHLIGHTS & BENEFITS

GREEN TECHNOLOGY & INNOVATION

Showcasing clean energy, industrial decarbonisation, resource efficiency, waste-to-value solutions and climate technologies.

POLICY & GLOBAL COOPERATION

Connecting climate policy, NDC implementation, Article 6 and international partnerships through leadership dialogues and practical pathways for action.

GLOBAL CLIMATE ACTION PLATFORM

Bringing government, industry, finance, technology, research and civil society together to advance practical climate action and measurable environmental outcomes.

CLIMATE FINANCE & INVESTMENT

Connecting investors, financial institutions and climate projects to unlock capital, financing opportunities and strategic partnerships.

CARBON & ENVIRONMENTAL MARKETS

Exploring carbon markets, carbon finance, carbon credits, Green Credits, EPR, circularity and emerging environmental-value mechanisms.

PROJECT DEVELOPMENT & SCALE

Bringing project developers, technology providers and financiers together to turn climate solutions into scalable impact.

EXHIBITOR & PARTNER SHOWCASE

Providing a platform for organisations to showcase their work, strengthen industry connections and engage with potential partners, investors and key stakeholders.

KNOWLEDGE, RECOGNITION & PARTNERSHIPS

Sharing practical knowledge, building capacity, fostering collaboration and recognising measurable climate leadership through India Climate Samman.

PROGRAMME FLOW

DAY 1 | 8 MARCH 2027 10:00 AM – 6:00 PM	DAY 2 | 9 MARCH 2027 10:00 AM – 10:00 PM	DAY 1 & DAY 2 (PARALLEL ENGAGEMENTS & SPECIAL FOCUS)
SESSION THEMES	**SESSION THEMES**	**National State SAF Policy & Investment Roundtable 2027** - 9 March 2027, from 3:00 p.m. to 5:00 p.m **CLIMATE TECHNOLOGY & INVESTMENT SHOWCASE** • Climate Solutions & Innovation Showcase • Project Development & Investment Opportunities • Corporate & Investor Engagements **STRATEGIC NETWORKING** • B2B & B2G Meetings • International Partnerships • Investor–Project Developer Connections
Inaugural Session: The Global Climate Economy: NDC Implementation, Net-Zero Pathways & Climate Competitiveness	International Climate Cooperation: Article 6 Implementation, Bilateral Cooperation & Cross-Border Climate Investment	
Industrial Net Zero: Emissions Abatement, Decarbonisation Roadmaps & Industrial Competitiveness	Climate Technology & Innovation: Commercialisation, Technology Transfer & Industrial-Scale Deployment	
Climate Finance & Transition Investment: Blended Finance, Capital Mobilisation & Bankable Climate Projects	Environmental Incentives & Circular Economy: Green Credits, EPR Frameworks, Resource Efficiency & Waste-to-Value Models	
Carbon Removals & Nature-Based Solutions: Project Methodologies, Quantification & Investment Readiness	Nature-Positive Investment: Biodiversity Finance, Ecosystem Restoration & Nature-Based Project Development	
Green Hydrogen & Industrial Electrification: Technology Deployment, Infrastructure & Hard-to-Abate Sector Transition	Lifestyle for Environment (LiFE): Consumption Footprints, Demand-Side Mitigation & Sustainable Lifestyles	
Environmental Performance & Value Creation: MRV Systems, Impact Measurement & Environmental Incentive Mechanisms	Redefining Development: India's Civilisational Ethos, Sustainable Modernisation & Resource-Conscious Growth	
	Valedictory Session: Environmental Education, Climate Literacy & Behavioural Change for Sustainable Development	
Networking Meetings	**India Climate Samman 2027**	
SPECIAL 2027 FOCUS - Saluting Women Leading Climate Action		

SPONSORSHIP BENEFITS & OPPORTUNITIES

POSITION YOUR BRAND AS A CLIMATE LEADER

Associate your organisation with a national platform advancing climate action, decarbonisation and India's transition towards a sustainable, low-carbon economy.

ENGAGE WITH KEY DECISION-MAKERS

Connect with climate policymakers, industry leaders, investors and global stakeholders.

SHAPE POLICY & STRATEGIC DIALOGUE

Participate in high-level discussions on carbon markets, Article 6, industrial decarbonisation and emerging environmental priorities.

MAXIMISE BRAND VISIBILITY

Benefit from extensive branding, media exposure, and on-site recognition across all event platforms.

SHOWCASE INNOVATION & EXPERTISE

Showcase your climate solutions and expertise to a sustainability-focused audience.

UNLOCK BUSINESS & INVESTMENT OPPORTUNITIES

Build partnerships with project developers, investors and technology providers to advance climate initiatives.

EXPECTED OUTCOMES

ADVANCE THE NET ZERO TRANSITION

Strengthen market readiness and policy alignment to accelerate climate action and support the transition to a low-carbon economy.

MOBILISE CLIMATE FINANCE & INVESTMENT

Connect investors, financial institutions and project developers to expand financing pathways, investment opportunities and strategic partnerships.

DRIVE INDUSTRIAL DECARBONISATION

Advance innovation, technology deployment and investment to reduce industrial emissions and improve resource efficiency.

SCALE ENVIRONMENTAL INCENTIVES & MARKET MECHANISMS

Promote emerging opportunities across green credits, circular economy, biodiversity and ecosystem restoration, linking environmental performance with measurable value.

ADVANCE NATURE & ECOSYSTEM RESTORATION

Promote nature-based solutions, biodiversity conservation and ecosystem restoration as integral components of climate resilience and sustainable development.

EXPAND GLOBAL CLIMATE PARTNERSHIPS

Foster international cooperation, project development and technology exchange through Article 6 collaboration and cross-border partnerships.

3rd INDIA CLIMATE SAMMAN 2027

Organizational Categories

• **Net-Zero Leadership**
Recognizing organizations demonstrating outstanding progress and commitment towards achieving net-zero emissions.

• **Active State in India for Climate Action**
Recognizing state governments that have shown exemplary leadership and action in implementing climate initiatives.

• **Innovative Climate Action Project**
Honouring unique and innovative projects that advance climate solutions.

• **Climate Startup Excellence**
Celebrating startups making a significant impact in climate technology, carbon markets, or sustainability solutions.

• **Pioneer in Carbon Sequestration Solutions**
Acknowledging pioneering efforts in carbon sequestration, showcasing leadership in mitigating climate change through innovative solutions.

• **Circular Economy Leadership**
For organisation leading in waste reduction and resource efficiency

• **Green Infrastructure Leadership**
Honouring leadership in sustainable infrastructure that integrates environmental considerations and drives green development.

• **Community Climate Action**
Recognizing grassroots initiatives empowering communities to engage in sustainable climate action and foster resilience.

**A nomination processing fee exclusive of taxes) is applicable for both national and international entries, per category.*

• **Green Energy Transition**
Recognizing contributions for transitioning to clean energy, advancing sustainability, energy security, and reduced carbon footprints.

• **CSR Investment in Sustainability**
Recognizing companies that have contributed the most Corporate Social Responsibility (CSR) funds in carbon credit initiatives.

• **Highest Carbon Credit Issuance**
Honouring entities with the maximum issuance of verified carbon credits in the past year.

• **Maximum Carbon Projects**
Acknowledging entities with the largest number of registered carbon credit projects under their portfolio.

• **CSR Leadership in Climate Action**
Recognising companies that have strategically deployed Corporate Social Responsibility (CSR) funds to support high-impact climate initiatives.

• **Climate Journalism**
Celebrating outstanding media contributions that raise awareness, inspire action, and drive meaningful dialogue on climate change and sustainability.

3rd INDIA CLIMATE SAMMAN 2027

Individual Categories

• **Lifetime Achievement in Climate Leadership**
Honouring visionary leaders whose enduring commitment and ground-breaking contributions have shaped the global fight against climate change, inspiring generations to advance a sustainable future.

• **Climate Policy Champion**
Acknowledging individuals or organizations for their influential contributions to climate and carbon market policy formation.

• **Women in Climate Leadership — Special Category**
Recognizing exceptional contributions by women leaders in driving climate action and sustainability.

• **Climate Champion in Innovation and Technology**
Recognising exceptional individuals who have pioneered innovative, creative, and technological solutions, leading transformative advancements in climate action, and creating scalable models for sustainable development in India's fight against climate change.

• **Climate Journalist**
Celebrating outstanding Journalists who raise awareness, inspire action, and drive meaningful dialogue on climate change and sustainability.

• **Climate Youth Icon**
Celebrating individuals under 35 years of age who have made a significant impact in advancing sustainable climate action and entrepreneurship.

• **Climate Entrepreneur Excellence**
Honouring entrepreneurs whose visionary leadership and innovative business models are accelerating climate solutions, driving sustainable growth, and delivering measurable environmental impact.

**A nomination processing fee exclusive of taxes) is applicable for both national and international entries, per category.*

3rd INDIA CLIMATE WEEK & AWARDS 2027

DELEGATE FEE | Secure Your Seat

More than a conference. A platform to connect, collaborate and accelerate climate action.

8–9 March 2027 | Bharat Mandapam, New Delhi, India

Join the 3rd India Climate Week & Awards 2027, bringing together policymakers, industry leaders, investors and international stakeholders to advance the transition from climate ambition to climate action.

YOUR DELEGATE PASS INCLUDES

- Access to conference sessions, thematic plenaries and keynote addresses
- Insights into carbon markets, Article 6 and evolving climate policy frameworks
- Engagement with policymakers, industry leaders, investors and international stakeholders
- Opportunities to explore climate finance, project development and investment partnerships
- Perspectives on industrial decarbonisation, climate technologies and emerging environmental markets
- Strategic networking with organisations advancing climate action
- Exposure to climate leadership and initiatives driving environmental progress

DELEGATE FEES

PASS TYPE	ACCESS	FEE (USD)	FEE (₹)
Full Conference Pass	8–9 March 2027 · Both Days	$ 320	₹ 30,000
Day 1 Pass	8 March 2027	$ 160	₹ 15,000
Day 2 Pass	9 March 2027	$ 160	₹ 15,000

CONNECT WITH STAKEHOLDERS ACROSS THE CLIMATE ECONOMY

- Policymakers & Government
- Corporate & Industry Leaders
- Carbon Market Participants
- Investors & Financial Institutions
- Climate Project Developers
- Technology Providers
- Sustainability Professionals
- International Partners

Be part of the conversations shaping India's climate future.

EXHIBITION SPACE & MEETING HALL FACILITIES

India Climate Week & Awards 2027 provides dedicated spaces to showcase climate solutions, facilitate business engagement and foster strategic partnerships across India's evolving climate economy.

8–9 March 2027 | Bharat Mandapam, New Delhi, India

EXHIBITION SPACE

Showcase climate technologies, products, services and innovative solutions to an audience spanning policymakers, industry leaders, investors and sustainability professionals.

Location: Pre-Function Areas L1 and L2

PRIVATE MEETING ROOMS

Facilitate one-to-one meetings, business discussions, investor interactions and strategic partnership engagements in a dedicated setting.

Location: Meeting Hall (Pax 50)

TECHNOLOGY, INNOVATION & ENGAGEMENT SPACE

Host technology showcases, innovation displays, demonstrations and focused stakeholder engagements in a dedicated facility.

Location: Meeting Hall (Pax 100)

OPPORTUNITIES AVAILABLE

From showcasing innovative climate solutions to hosting focused business discussions, ICW 2027 offers opportunities for organisations to strengthen their presence, connect with key stakeholders and explore collaboration.

COMMERCIAL OPTIONS & PRICING

S. No.	Option	Area / Use	Size / Booking Basis	Price (INR)
1	Exhibition Space	Display of climate solutions, products and services	Pre-Function Area L1 or L2; area dimensions to be confirmed	₹ 2,00,000
2	Reserved Meeting Room	Business meetings, investor interactions and networking	Meeting Hall; capacity: 50 persons	₹ 4,00,000 (1 Day)
3	Technology & Innovation Showcase	Technology demonstrations and innovation displays	Meeting Hall; capacity: 100 persons	₹ 8,00,000 (2 Day)

Showcase Innovation. Build Partnerships. Advance Climate Action.

All prices are exclusive of applicable taxes and exclude currency conversion rates.

EVENT VENUE

BHARAT MANDAPAM, PRAGATI MAIDAN, NEW DELHI

The selection of Bharat Mandapam to host India Climate Week & Awards 2027 reflects the event's ambition to establish India as a leading platform for global climate action and sustainable development. With its focus on climate action, environmental incentives, carbon markets, climate finance, green technology and sustainable growth, the event will bring together government representatives, international institutions, industry leaders, investors, technology innovators and civil society. Bharat Mandapam will provide a fitting setting for high-level leadership dialogues, policy forums, strategic roundtables, investment discussions, technology showcases and collaborative partnerships aimed at translating climate ambition into measurable outcomes. Guided by the theme "प्रकृतिरेव शरणम् — Nature is Our Refuge," the 3rd edition will also spotlight women leading climate action, reinforcing India's commitment to environmental stewardship, global cooperation and a resilient, sustainable future.
